A bit of background

Though the venue is new. I have been doing children's party entertainment since 2012. In the form of carnival extravaganza parties. Where kids are entertained with lots of games and helpers . And go home with a bag full of prizes and toys. Games are available to hire for school and church fundraisers and games evenings. Please enquire if you are interested (40 games to choose from)

Looking forward to assisting & meeting you. But mostly, just making your child's DAY!!
